

Excessive Water Usage Agreement – Home Show Vendor
ops@acsshows.com

Event Information

- **Event Name:** _____
- **Event Date(s):** _____ **Venue:** _____
- **Vendor / Company Name:** _____
- **Booth / Space Location:** _____
- **On-Site Contact & Phone Number:** _____

This document outlines the requirements, approvals, and charges associated with excessive water usage by a vendor during a Home Show. Excessive water usage includes, but is not limited to, filling hot tubs, spas, pools, water features, demonstration tanks, or any other use that exceeds normal exhibitor needs.

All excessive water usage **must be approved in advance** by Fair Park / Event Management.

Description of Water Usage

Please provide a detailed description of how water will be used:

- **Type of equipment (e.g., hot tub, spa, pool):** _____
- **Estimated capacity (gallons):** _____
- **Number of times filled or refilled:** _____
- **Dates(s) and time(s) water will be required:** _____

Water Usage Costs

- **Water Rate:** \$0.33 per gallon

Estimated Cost Calculation

Description	Gallons	Rate	Estimated Cost
Initial Fill	_____	\$0.33	\$ _____
Additional Fill(s) (If applicable)	_____	\$0.33	\$ _____
Estimated Total			\$ _____

Note: Final charges may be adjusted based on actual water usage.

Payment & Billing

- The Vendor is responsible for all costs associated with excessive water usage.
- Charges will be billed to the vendor or show producer as outline in the event agreement.
- Payment may be required in advance of water access.

Operational Requirements

- The vendor is responsible for providing all equipment necessary to fill the item (hoses, fittings, adapters, pumps, etc.)
- Water access points will be designated by Event Management.
- Vendors may not connect to water sources without prior approval.
- The vendor is responsible for removing and properly disposing of all water after the event or at the conclusion of their display.
- Drainage and disposal of water must be coordinated with Event Management.
- The vendor is fully responsible for any flooding, leaks, spills, or overflow caused by their water usage.
- Any damage to buildings, floors, utilities, or surrounding areas resulting from water usage, removal, or equipment failure will be billed to the vendor.

Compliance and Approval

Failure to comply with these requirements may result in denial of water access, shutdown of the display, or additional charges.

By signing below, the vendor acknowledges understanding and acceptance of this excessive water usage policy and associated costs.
